

Caring for someone with Alzheimer's disease or another form of dementia? Ever wonder how they feel? Ever wonder why certain behaviors occur? Do you ever wish you could get a small glimpse into what an average day is like for that person?

Wonder no more!!

**Sign up for the Virtual Dementia Tour
November 19th, 10:00 a.m. – 3:00 p.m.
at YWCA Bristol**

The Virtual Dementia Tour is an incredible sensitivity and training tool for staff, families, and caregivers of persons living with Alzheimer's disease and/or another form of dementia. Tours will be given one person at a time for an individual simulation experience.

Be prepared for your attitude to change!
Here's what past participants have shared:

"We take too much for granted."

"...a humbling experience."

"I will take more time with my residents."

"I have a better understanding of our residents."

"At least I knew it would be over soon and could go back to normal."

Our residents live with it everyday."
