

## Leadership Registry Application

The Leadership Registry, a program of the YWCA, is designed to make sure that all segments of our community—particularly women and people of color—are represented among decision-making bodies. The Leadership Registry maintains a database of interested and highly qualified individuals and is a valuable resource for community organizations and elected officials seeking individuals for appointments.

### Leadership Registry Application

Please complete the following.

Name

Street Address

City

State

Zip

Home Phone Number

Alternate Number

Email

I am a resident of the      city      county.

I am      retired      currently employed.
